

Catalog Sales

Earn profits with catalog sales.

You can also sell AMOIL products with the AMOIL Retail Catalog Program. Catalogs can be purchased directly from AMOIL and then distributed to potential AMOIL customers. Once the catalogs are in the hands of your potential customers, any sales made will earn you retail profits and commission credits automatically.

Order taking, shipping and returns all are handled by AMOIL INC.

EXAMPLE OF YOUR PURCHASES AND RETAIL CATALOG ORDERS IN 1 MONTH:*

Catalog Orders	Sold At Suggested Retail	Dealer Cost	Retail Profit	Commission Credits
