

Retail On-The-Shelf Accounts

More profits in retail markets. Earn 20% cash commissions plus 20% commission credits.*

Selling AMSOIL to retail accounts is another way to earn commissions. Retail accounts are retail outlets such as auto parts stores, motorcycle dealerships and automotive service centers. These stores stock AMSOIL products to sell to their customers or install AMSOIL products as part of a service such as with oil changes.

When you sign up a retail account, you earn a 20 percent cash commission on every purchase your account makes. In addition, you receive 20 percent of their purchases as commission credits which are applied to the commission schedule and added to your commission totals as shown in the previous examples.

Sales of aftermarket (non-AMSOIL) products to retail accounts earn a 15 percent cash commission and 20 percent commission credits.

EXAMPLE:

Your Account	Amount of Their Purchase	Your Cash Commission (20%)	Your Commission Credits (20%)
Hardware Store	\$200.00	\$ 40.00	40

	TOTAL:	\$200.00	200

*Percentage of commission and commission credits may vary outside the U.S.
